Chair

surf

Designer: B&T Design Team Category: Chair Family: Chair, Armchair, Bar Stool
Environment: Indoor Country of Production: Turkey

Product Details

The Surf series, taking its name from the flowable shell form and the design details gathering different textures, brings new life to the product range.

Back and seat as one-piece construction is made of polyurethane foam injection molded over a metal frame which is supported by steel springs. This gives consistent shape quality and structural longevity.
